HELLO SACRAMENTO

75th Model Legislature & Court

February 10–February 13, 2023

We're back at the State Capitol in Sacramento for the 75th Model Legislature & Court conference!

Since 1948, the YMCA's Youth & Government (Y&G) program has provided an unmatched experiential learning opportunity for high school students. By modeling California's legislature and courts, participants build skills such as critical thinking, persuasive speech and writing, project management, and collaboration. Our program is rooted in the YMCA's core values of Caring, Honesty, Respect, and Responsibility, and highlights the importance of servant leadership and media literacy to a healthy democracy.
