

MODEL UNITED NATIONS

About Us

Model United Nations (MUN) participants will come together with peers from across California to discuss international issues, discover other cultures, develop life-enhancing skills, and make new friends.

These students will become “delegates” and be assigned to a program area focused on improving the international community.

The three-month program includes two in-person conferences (one in Northern California or Southern California), a 1-day training conference, and the culminating 2-night Model United Nations Summit.

Contact your local YMCA for more information on registration deadlines, event dates, and cost.
