

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

Get started in the right direction!

You can have peace of mind knowing that trained providers are caring for your child while teaching a curriculum aligned with the State of California's education standards. Children enrolled in a preschool at the Y will explore new ways to problem-solve, create, positively interact in different social situations, and most importantly **have fun!**

Enroll your child in a YMCA Preschool near you!

ymcaLA.org/preschool

The YMCA of Metropolitan Los Angeles offers a full day California State Preschool Program, through the California Department of Early Education and Support Division. A family's eligibility to receive services is based on family size, income, employment, training status, parent incapacity, homelessness, and Child Protective Services (CPS) status.
