

"The best thing I did in Middle School."

- Advisor Ben Hart, Diablo Valley

MODEL UNITED NATIONS

Y&G is the most consistent and supportive community I've had in my life! I've been involved since I joined MUN in 2008.

- Advisor Anna Enger, South Pasadena San Marino YMCA

I learned many new things such as debate skills, and things about the world while making new friends and memories.

- Ambassador Simone Rudnicki, West Valley Family YMCA

Model United Nations

Model United Nations (MUN) middle school (6th-8th grades) participants will come together with peers across their region of California, become Ambassadors, discover other cultures, discuss international issues, develop life-enhancing skills, and most importantly, make new friends.

These Ambassadors will be assigned to a program area learning about the issues faced by different countries and regions of the world with a focus on how to improve the international community.

This 4-month program includes a 1-Day Training and a 2-night Model United Nations Summit in either Northern California or Southern California.
